Vanessa Bergan, President TWPS P & C and drop at the school admin office.
The Taree West Public School P & C committee has had another busy year throughout 2014.

Our fundraising events included:

- Ongoing Meat & Veg’s raffles held at Taree West Bowling Club.
- Our special lunch days which consist of having a hot dog and popper day/a sausage sandwich and popper.
- Easter Egg raffles consisting of 1st, 2nd & 3rd prizes (chocolate galore)
- Mothers & Fathers Day Stalls for the students to purchase a special gift for their mums, dads or careers.
- A create your own calendars for 2015.
- We will finish off the year with our very successful Glow Stick night.

The major fundraiser in 2014 was our school and community fete. We would like to thank the many Taree business’s and school families, with their assistance in donating the many items that were used to help with the set up costs involved with the fete or as prizes or items which were sold on the day. We would also like to thank the many volunteers and school teachers that helped at the fete, which made it such a huge success. We raised approx $20,000 for our school.

The P & C has been busy throughout the year assisting in the following ways:

- The P&C funds pay for the school students insurance.
- We the P & C have assisted the families of many members of our school sporting teams with some of the accommodation/travel costs, when they have been selected to represent our school at a state level. We are very proud of the on field successes that they have had.
- The committee has donated $1000 for a school music scholarship to encourage more students to participate in the school band.
- The P & C has assisted with some of the cost involved for a school student to travel to Coffs Harbour to receive an academic award for his outstanding achievement in the Newcastle Permanent Primary Mathematics Competition representing TWPS.
- The Committee have provided the school bucket hats, to the new kindergarten students starting in 2015 as a welcoming gift.
- The committee also runs our School uniform shop. A lay-by service is available.
- The P & C committee were very busy throughout the year providing assistance with various school events and projects. These have included assisting with TWPS staff recruitment, running the athletics carnival canteen, providing morning tea for Grandparents/Careers day and assisting with the catering of the year 6 farewell dinner.
- In March the P & C had a working bee to beautify the year 3-6 garden area near the school hall. Local Taree businesses kindly donated the soil, turf and the many plants.
- Our latest donation involved the replacement & installation of a new PA sound system and lighting in the school hall.

A big thank you, to Helen Wyatt, our school canteen supervisor, and her tireless volunteers, who do a wonderful job in the canteen.
Another big thank you, to all the parents, carers, families, TWPS staff and community members, and Taree businesses, which have supported and/or volunteered for our fundraising events throughout the year. Without your support it would not be possible to run these activities.

I am particularly proud that the committee was able to invest approx $18,000 into various projects at TWPS throughout 2014. This will benefit our students, staff and visitors to our school now, as well as into the future.

The P & C in 2014 have been a dedicated team of volunteer parents, careers, teachers and community members who are paramount in achieving our goals for Taree West Public School.

I would like to thank all the committee for their time and efforts throughout 2014, without these wonderful helpers we could not achieve what we have done, well done everyone!!!

Vanessa Bergan, President, TWPS P & C 2014
